Career Basketball Statistics Based On NEAAD Basketball Tournaments From 1946 To 1990

NEAAD RECORDER

P R E F A C E

May I say I would very much like to thank Edward A. Sedoma, Sr., who was the N.E.A.A.D. Recorder for more than twelve years, from 1976 to 1988. He kept track of almost all basketball records. In the past two years of my being N.E.A.A.D. Recorder position, I looked through some notebooks, which were typed by him.

Sedoma's notebooks were well-organized taking down classified information which covered games and provided dates to tournaments from 1946 to 1987. He must have accomplished a lot, in searching missing records, by asking people or member clubs whether they might recall old times, or might have their scorebooks, newspaper articles, or program books, which included some documented scores and/or some box scores.

Last early March 1990, Calvin Tandy of Lawrence '46 conferred with me about his old days. His comments amazed me and I asked him if he might have any records during his 1946 year. He told me he might have some at his home. The next day he gave me a copy of a newspaper article about the first New England Basketball Tournament in the year of 1946! It covered everything I wanted, such as all completed scores and box scores. Some of the last names were misspelled, and their mathematical numbers were minimal errors. But the overall article covered all the information that I needed most for the benefit of the N.E.A.A.D. History.

Last July 1990, Stanley F. Hosta of Holyoke '46-'52 gave me some old program books, which turned out to be the N.E.A.A.D. property. I found all of N.E.A.A.D. basketball program books were valuable to my needs in covering correct last names, especially adding their first names, coaches, managers, scorekeepers, etc. A 1948 program book had all written scores in the tournament-bracket pages! It solved our 1948 scores, which have been empty since 1948.

You might perceive that Sears Cummings, Edward Sedoma and I have been attempted to tell you some of tournament years did not have any recorded scores or box scores. When Ed turned over his notebooks to me in August 1988, I found that some years, such as 1946, 1948, 1968, and 1972, did not have any documented scores! Now, both 1946 and 1948 years have been filled in by Calvin Tandy and Stanley Hosta, respectively.

Individually, Sears Cummings, another long-time N.E.A.A.D. Recorder from 1964 to 1976, saved a few old scorebooks from 1961 to 1976 before turning over them to Ed in around 1976. Other scorebooks from 1976 to 1988 were kept by Ed along with Sears' scorebooks. All of these scorebooks were transferred to my hands in 1988. A few weeks later, I had accumulated a final statistic of 1988 N.E.A.A.D. basketball tournament for Sedoma in the fall of 1988.

The unfortunate part is that we do not have any other old scorebooks from 1946 to 1960, and also both in 1968 and 1972, however, some

[Continue to Next Page]

of those years have some documented box scores. I do not know where these records are coming from. I wish either Sedoma or Cummings can narrate their comments below those documented box scores and tell us how or where they got the records. It is very important to prove all of the recorded box scores.

According to my research on the Sedoma Notebooks, I noticed there were only three out of eight games that have been recorded in box scores for 1950. The other five games have not been documented in box scores. Noticeably, all three box scores were recorded mostly on the Worcester's games.

Also there were other Worcester's games which were recorded in the Sedoma's Notebooks in 1951, 1953, 1954, and 1958. Also, there were only Sporal's games which were recorded in 1953 and 1954. All of those years, other games were not recorded in box scores. Additionally, there were documented scores in 1949, 1952, and 1955 without any proven (old) scorebooks.

Possibly, the Worcester Deaf Club might have their own scorebooks which might have been passed out to either Cummings or Sedoma, who might have recorded their games. Either of them might return the books back to the Worcester Deaf Club. Certainly, the Boston and Holyoke Deaf Clubs might like to provide their old scorebooks to our past recorders, unfortunately, the books may be destroyed by a flood of water in the basement and a bad fire through upstairs level, respectively.

I strongly recommend that it is a good idea for us to borrow their scorebooks for recording the box scores in our N.E.A.A.D. Notebooks, and then, kindly return them back to their respective clubs or scorers later. Most important things are their games, which shall be documented for the benefit of future N.E.A.A.D. Hall of Fame.

In the next few pages of Year-By-Year Tournament Scores, you will notice there are some printed asterisks (*) after their printed scores. Those asterisks tell us that those games do not have any documented box scores.

Now you may know why those games are missing because it is very important to let you or other readers to know about their information. The information helps most of our old-time players by telling them that their records would have been more numbered, such as points, years, games, etc. You will find there are a lot of dash marks (- -) on their individual statistics in the pages of **Career Basketball Statistics** (82 pages). Please read the pages about different kinds of categories in the first few pages of **Career Basketball Statistics**, too.

N.E.A.A.D. BASKETBALL PROGRAM BOOKS:

According to my research of basketball rosters, most of them were found by old N.E.A.A.D. basketball program books. Some of the books

belonged to the N.E.A.A.D. property, such as 1946, 1947, 1948, 1950 (3 copies), 1951 (2 copies), 1952, 1953, 1954, 1955, 1959, 1965, 1966, 1967, 1969, 1970, 1971, 1973, 1974, 1976 (2 copies), 1977, and 1984. All of these books were given by **Stanley Hosta.** Also, some of the books belonged to the Holyoke Deaf Club's property, such as 1946, 1947, 1949, 1950 (3 copies), 1954, 1955, 1956, 1958, 1959, 1960, 1963, 1965 (5 copies), 1966, 1970, 1973, 1976, 1977, 1978 (2 copies), 1983 (2 copies), 1984, and 1986. Also, some of the books belonged to me, such as 1983, 1984, 1986, 1987, 1988, 1989, and 1990. These were the only program books that I have researched through the past few months. I wish that I could research through the program books, such as 1957, 1961, 1962, 1964, 1968, 1972, 1975, 1979, 1980, 1981, 1982, and 1985, but I did not have them all.

I beleive that the N.E.A.A.D. Recorder should keep track of collections of old N.E.A.A.D. basketball (and softball) program books. And all books should be ordered from 1946 to 1990 and be kept by the N.E.A.A.D. property, which should be responsible by its N.E.A.A.D. Recorder currently. It will be a good benefit for the N.E.A.A.D. Recorder, who will research old program books for the purposes of statistical reasons.

What program books do the N.E.A.A.D., Inc. <u>not</u> have?

1949, 1956, 1957, 1958, 1960, 1961, 1962, 1963, 1964, 1968, 1972, 1975, 1978, 1979, 1980, 1981, 1982, 1983, 1985, 1986, 1987, 1988, 1989, 1990. All books are based on **basketball.**

If you happen to have some of the above books, you may want to donate or loan some of them to the N.E.A.A.D., Inc. I will presonally thank you for the books in the future meetings.

<u>COMMENTARY</u>:

Approximately from November 29, 1988 to January 22, 1991 .... as you note that the dates have been ran through over two years or 750 days for completing a book from 1946 to 1990! Without access to the computer was the main reason. I researched the records by scanning the Sedoma Notebooks, computing the statistics, sorting into alphabetical order, updating the statistics and correct names, and many more duties to make a completed book. Voluntarily, I worked very hard for more than two years, to do this book.

To tell you the truth, our current book is not finished! The reason for not finishing the book is because of some misspelled names, some confused brothers, some confused "same last" names, some missing records, some insufficient records, some miscalculations, and many other kinds of problems. However, there are more records incomplete in the Early Years. The Later Years have been more successful.

[Continued to Next Page]

I am not surprised if some people disagree with my book. I expect to hear from you for any corrections and/or sending me old documented scores and box scores in the future. You may wish to send information to our N.E.A.A.D. Recorder by looking at our program book page of the N.E.A.A.D. letterhead, which may be mostly greeted by our N.E.A.A.D. President, in every N.E.A.A.D. tournament. Thank you.

I hope you will like my book. God bless you.

OTHER CATEGORIES:

Adams, George Hartford '48* - - - - -.- CCH

As you can see there is an asterisk (*) after a printed year, it means there is a **lack of recorded box scores.** Lack of recorded box scores means all or some of his/her games were not documented in our NEAAD notebook that tournament year. Sometimes it is called an incompleted record.

Albro, Eric J. *Worcester '82 3 22 9 53 17.7

As you can see there is an asterisk (*) before a printed team, it means that person was selected as a **member of All-Star Tournament Team** that year.

Amati, Quentin Jr. **Waterbury '81 2 26 2 54 27.0

As you can see there are two asterisks (**) before a printed team, it means that person was voted the **Most Valuable Player of Tournament** that year.

Ferreira, Joaquim *⁂Providence '79 3 30 13 73 24.3

As you can see there are three asterisks in an upside-down 'L' display (*⁂) before a printed team, it means that person was named as **both a member of All-Star Tournament Team and the Most Valuable Player of Tournament** that year.

Bailey, Peter L. ***Holyoke '88 - - - - -.- CCH

As you can see there are three asterisks in a straight line (***) before a printed team, it means that person was named as the **Coach of Tournament** that year.

Couthen, Albert J. Hartford '70 - - H O S T / E A A D - - CCH

As you can see there are no statistical categories on that line because it has nothing to do with our NEAAD files/records. It means his/her club hosted that regional tournament while his/her team participated that tournament. That year is not credited for adding into the number of NEAAD years.

OTHER CATEGORIES (continued):

Albro, Eric J. Boston '88 - - H O S T/A A A D - -

As you can see there are no statistical records on that year, it means his/her team could not attend the NEAAD regional tournament that year because his club was hosting the AAAD national tournament. That year is not credited for adding to the number of NEAAD tournament years. It is just a **footnote.**

Blundell, Charles Rochester '78 - - - - N Y A A D - - - -

It is just another kind of **footnote,** which has nothing to do with our NEAAD records. His team was playing for another regional tournament, as known as the New York Athletic Association of the Deaf that year. N.Y.A.A.D. was folded in few years later.

Amell, Joseph Boston '84 1 - - - FF

As you can see there is a 'FF' print under the column of 'AVE', it means that his/her game was **forfeited.** His/her game is not credited for adding to the number of NEAAD tournament games because if adding his/her forfeited games, it effects his/her averaged points per game. However, that year is added to the number of NEAAD tournament years.

Bailey, Jesse J. Holyoke '88 - - - Foot-Injured - - -

It is just a **footnote,** which tells us that he was injured at the time or before the NEAAD tournament in that year. His year is counted for adding to the number of NEAAD tournament years.

Bailey, Peter L. Gallaudet '86 - - - Knee-Injured - - -

It is just a **footnote,** which tells us that year he was injured and playing for Gallaudet University. Also, it tells us that his/her team is **not** member of NEAAD Member Clubs, so that year is not credited for adding to the number of NEAAD tournament years.

Important Note: Any member clubs, which are **not** members of our NEAAD organization, are meaningless to any NEAAD records, but those lines are **useful footnotes!**
